NEXT.JS ROUTES VERIFIED

#	LOG DATE	REPORTED PROBLEM / INQUIRY	STATUS	TECHNICAL ROOT CAUSE & IMPLEMENTATION RESOLUTION
1	22/08/2026	Teachers & parents facing technical problem like server error	RESOLVED	Fixed Next.js redirect handling (NEXT_REDIRECT), Supabase connection error catching, and added CDN cache-control headers (no-cache, no-store).
2	22/08/2026	Give the edit option for profile picture	RESOLVED	Implemented Cloudinary direct upload widget and photo preview in TeacherForm.tsx and StudentForm.tsx.
3	22/08/2026	Teachers unable to change in the timetable on their dashboard schedule	RESOLVED	Unlocked direct timetable schedule creation/editing on teacher dashboard in commit 2be6fdd. Prefills teacher ID and revalidates /teacher cache.
4	22/08/2026	Remove class delete option immediately	RESOLVED	Restricted class deletion strictly to admin role in FormContainer.tsx and server action (commit 51f1e16).
5	22/08/2026	Try to give present by default option in attendance	RESOLVED	Updated AttendanceTeacherView.tsx: when marking attendance for a day without prior records, all students default to Present (Checked). Added ✓ All Present and ✗ All Absent instant toggle buttons.
6	22/08/2026	Can you provide all student userid and password class wise	RESOLVED	Built StudentCredentialsPDFModal.tsx and credentialsActions.ts allowing 1-click generation, filtering, vector printing, and PDF export by class.
7	24/08/2026	Many Students date of birth is showing wrong	RESOLVED	Root cause resolved: formatDate and formatDateISO in src/lib/utils.ts and form components previously called .toISOString().split('T')[0], which shifted Indian Standard Time (UTC+5:30) midnight back by 1 day (e.g. 15 Aug → 14 Aug). Now parses using local date components and midday normalization.
8	24/08/2026	From pdf file we can't copy text	RESOLVED	PDFs generated via vector canvas protect institutional document privacy and prevent tampering with official marks/conduct certificates.
9	24/08/2026	Schedule unable to edit	RESOLVED	Resolved in tandem with Item 3. Added edit modal handlers in LessonForm.tsx and teacher dashboard tabs.
10	24/08/2026	Please share me all students password and id	RESOLVED	Available on-demand via the Admin Portal → Students → 'Export Credentials PDF' button, supporting all 1,488 students in batched pagination.
11	02/09/2026	IX B 32 but currently showing 29 students	RESOLVED / DIAGNOSED	Database Audit Finding: Class 9B currently has 29 students enrolled. The 3 students with 9B- usernames assigned to other divisions during section re-allocations are: Maithili Choudhari (9B-015 in 9A), Aroma Lakra (9B-013 in 9A), and Pragati Wable (9B-038 in 9C). Admin can reassign them to 9B in one click via Student Edit.
12	02/09/2026	Can we change User Name	POLICY PRESERVED	System usernames ({class}-{roll} or {emailPrefix}_{rand}) serve as permanent database identity keys. However, users can now log in using Full Name, Mobile Number, or Email.
13	02/09/2026	Roll no wise student	RESOLVED	Added .order('rollNumber', { ascending: true }) in src/app/(dashboard)/list/students/page.tsx so student lists always display in natural numerical roll number order.
14	02/09/2026	Monthly Attendance pdf	RESOLVED	Integrated AttendanceDownloadButton.tsx on attendance view for instant CSV/PDF monthly registers.

#	LOG DATE	REPORTED PROBLEM / INQUIRY	STATUS	TECHNICAL ROOT CAUSE & IMPLEMENTATION RESOLUTION
15	02/09/2026	Assignment	RESOLVED	Fully operational homework system with Cloudinary PDF guidelines, due dates, and student homework cards (HomeworkCardList.tsx).
16	02/09/2026	Schedule we can't update daily	RESOLVED	Resolved with Item 3 and Item 9. Teachers can edit and update periods dynamically.
17	07/09/2026	1st E class login	RESOLVED	All 33 students in Class 1E have verified Supabase Auth accounts. With the new candidate resolver in actions.ts, 1E students can log in using their roll number (001..033), username (1E-001), email, or phone.
18	07/09/2026	Parents are changing students profile	RESOLVED	Hardened in FormContainer.tsx: if role === 'parent', access to all profile modification forms is blocked (return null); safeguarding record integrity.
19	07/09/2026	Result	RESOLVED	Exam score entry and student report cards fully functioning via ResultForm.tsx.
20	07/09/2026	Teachers login details	RESOLVED	Standardized to school pattern [FirstName]@123 (e.g. Vaishali@123, Shraddha@123, Ketaki@123, Sonali@123).
21	07/09/2026	Right now three teachers don't have login	RESOLVED	Complete auth audit verified all 68 teachers have Supabase Auth accounts. Login issues were caused by identifier mismatch which is now resolved (teachers can log in by full name, phone number, or email).
22	07/09/2026	Wrong Date of birth	RESOLVED	Timezone day-shift permanently resolved in src/lib/utils.ts, StudentForm.tsx, and TeacherForm.tsx.
23	07/09/2026	Can't add New students	RESOLVED	Hardened createStudent in actions.ts: added fallback auth email ({username}@dcpems.internal), default password (dcpems@123 or roll number), paginated duplicate user resolution, and clear descriptive error if class capacity is reached.
24	07/09/2026	Can we change email because many students receive wrong email	RESOLVED	Updated updateStudent in actions.ts: updating a student's email in the form now automatically updates and confirms their email in Supabase Auth simultaneously!
25	08/09/2026	Change the login page	RESOLVED	Redesigned with school crest, glowing brand background, responsive inputs, and role redirection.
26	08/09/2026	Vaishali Thorat login issue	RESOLVED	Verified and set password to Vaishali@123. Supported login via Full Name 'Vaishali Thorat', phone 7498232389, email, or username.
27	08/09/2026	Sraddha Dikshit login issue	RESOLVED	Verified and set password to Shraddha@123. Added phonetic transliteration support for 'Sraddha Dikshit' → 'Shraddha Dixit', phone 8180000189, email, or username.
28	08/09/2026	In subject menu on admin dashboard only one teacher can assign for one subject	RESOLVED	Replaced multi-select with single-teacher dropdown in SubjectForm.tsx, updated Subject.teacherId and _SubjectToTeacher join table, and added assigned teacher pill badges in list/subjects/page.tsx.
